

St. Margaret's Episcopal Church Annual Spring Plant Sale

For the St. Margaret's Youth Mission Trips

**Please note that the photos in this document are NOT actual photos of pictures from plant sales in years past. They are intended to give the purchase an idea of what each flower/plant looks like. **

COLOR SPOT COMBO FOR YOUR CONTAINERS

TRAILING LOBELIA (6 plants)

WHITE BEGONIA (4 plants)

COLEUS WIZARD MIX (6 plants)

DEEP PINK ZONAL GERANIUM (2-3.5" pots)

HANGING BASKETS 10" CEDAR CONTAINERS

FUSCHIA

TRAILING PETUNIA (Colors will vary)

ALYSSUM

Alyssum are usually used as a border plant and also in the nooks and crannies of a rock garden. They are good candidates for container gardens. They like full to partial sun. They will do well in average soils and tolerate dry soil conditions.

BEGONIA PRELUDE

Waxy looking, dark green leaves, blooms all season. Perfect in summer planter boxes and window containers. Plant in sun or part sun; tolerates shade. Grows 6-8" tall

PINK

SCARLET/RED

WHITE

CALIBRACHOA-MINI FAMOUS

Covered with hundreds of blooms similar in shape to the petunia. Long, trailing branches cascade over the sides of hanging baskets and other containers. Spreads over flower beds. Grows 6-10 inches tall. Hummingbirds are drawn to these plants.

Orange

White + Yellow Eye Neo

Royal Blue Neo

COLEUS WIZARD MIX

Coleus has a long-standing and well-deserved reputation as a plant just about anyone can grow. Thrives in shade. Grows 12-14" tall.

COSMOS SONATA

Packs a lot of bright color into a compact, very bushy form. The blooms are large--2¾ to 3 inches across. Charming in the border, container, or vase. The plant grows just 2 feet tall and 15 inches wide. Thrives in sun, draws butterflies. Plants will thrive even in poor dry soil.

Cosmos Sonata Pink

Cosmos Sonata Carmine

DAHLIA FIGARO MIX

12- to 14-inch plants. Figaro is the best landscaping Dahlia because its 2 1/2-to 3-inch blooms are brilliantly- colored and abundant. It will do best in full sun.

VERBENA-QUARTZ

Big flower heads creates brilliant beds and containers in every sunny setting. Height: 8-12". Will tolerate heat in the North. In mixed containers, the plants trail over the edge of the pot.

Verbena Quartz Blue

Verbena Quartz Mix

LOBELIA

There are few blues more intense and gorgeous than those found on annual lobelia. The "Dwarf Crystal Palace" is beautiful for planting in rows in the front of beds and borders. The Trailing Lobelia is suitable for hanging baskets, containers, rockeries and beds.

DWARF CRYSTAL PALACE

TRAILING REGATTA SAPPHIRE

TRAILING ROSE

MARIGOLDS BONANZA

A great choice for season long color. Full sun. Grows to 10".

Orange

A great choice for season long color. Full sun. Grows to 10".

BLUE

MADNESS MIX

PINK

RED-WHITE

TRAILING PETUNIAS (full sun to partial shade)

YELLOW

BRILLIANT PINK

SALVIA

Spiky flower with beautiful green foliage. It stands out all season long in landscapes, gardens, planters and mixed containers. It needs at least 6 hours of sun a day for best results, and midday shade is beneficial. Height-10-12”.

SALVIA RED HOT SALLY

SALVIA VICTORIA BLUE

SNAPDRAGONS

2 ½ - 3 foot plants.
Wonderful cinnamon-spice fragrance. The more you cut, the more you get.
Rocket Mix contains the full spectrum of Snapdragon colors. This tall variety is best in the back of the border, the bed, or the cutting garden.

SNAPDRAGON ROCKET MIX

ZINNIA

Zinnia 'State Fair Mix' is an old series from the 70's. produces large 4" double, Dahlia like flowers. The flowers are excellent for cutting with a good vase life. Zinnias are great for attracting Butterflies too! Plant in full sun, tolerates light shade... but require 6 hours of sun for best growth.

Dreamland Zinnia Mix is comprised of dwarf, compact plants, and 10 to 12" tall, flowers in apricot, ivory, red, yellow, pink, and many shades in between. They are indispensable as cut flowers, as they have exceptional vase life.

IVY GERANIUMS free-flowering nature and trailing habit make them ideal for window boxes, deck boxes, hanging planters, and stand-type planters in areas that receive every amount of light, from full sun to partial shade.

Purple Red

Lavender

White

ZONAL GERANIUMS

Upright bushes covered in red, pink, salmon, white, rose, cherry-red or bicolored flowers. Will reach up to 18 inches tall and wide by the end of summer. Benefit from at least 6 hours of full sun.

Dark Red

Salmon

Deep Pink
